#### Wednesday ~ PONDER

PONDER Proverbs 3:13-26. This passage richly describes the blessings that come for those who “*find wisdom and gain understanding.*” (v. 13) Remembering that Jesus is wisdom, and continually coming back to this promise of blessing in verse 13, ponder the following:

- **Verses 14-15** – the profit of wisdom is better than what? Since this is true, why is it best to “*find wisdom and gain understanding*” over other things in this world? Journal your thoughts.
- **Verses 16-18** – *How do these verses describe the blessings of wisdom?* To the degree that you have “*found wisdom and gained understanding*” have you experienced these blessings? Journal your thoughts.
- **Verses 22-26** – What additional blessings of wisdom are recorded here? To the degree that you have “*found wisdom and gained understanding*” have you experienced these blessings? Journal your thoughts.
- **Verses 13-26** - What action verbs can you find that describe how we should be seeking after wisdom? Do you see a progression in these actions? How are you doing with that progression? (Ex. The first two action verbs are seen in v. 13 “*finds*” and “*gains*”)
- **Verses 13-26** – After meditating on so many of these blessings of wisdom, pick three that are most desirable to you and journal your thoughts about living in these blessings of wisdom.
